Consumer Medicine Information, or CMI, provides clear, easy-to-understand information to consumers and their carers about how to use their medicines. CMI leaflets for Novartis Pharmaceuticals products available in Australia are included on this page. Importantly, this information is intended for use in Australia only and does not replace advice from a healthcare professional. You should discuss the CMI with your healthcare professional if you have any questions or concerns.

Disruption in supply - Estradot, Estalis Continuous and Estalis Sequi in Australia.

Novartis is currently undergoing a disruption in supply of Estradot, Estalis Continuous and Estalis Sequi in Australia. We apologise for the inconvenience this has caused and are working to resolve the fluctuations in supply. We advise patients to consult their healthcare professional for alternative treatment options. For further queries, please contact Sandoz Customer Service on 1800 726 369. For all other queries please contact Novartis Medical Information on 1800 671 203.
